

LOCATION (GPS Coordinates: 43°48.532 N. 7° 17.667 E)

Chateauneuf Villevieille (still called Chateauneuf de Contes on some maps) is located about **25 min from Nice** and about 35 minutes from Nice International airport. To get here you leave the A8 highway at the exit of "Nice Est", Exit 55 (between Nice and Monaco): La Trinite, Le Port and St Andre.

From A8 highway take exit 55 **Nice Est** (between Nice and Monaco) : La Trinite, Le Port and St Andre. If you come from the west (airport) at the first big crossing go straight towards **Sospel – Trinite** and then take the first to the left towards **Contes**. If you are using a GPS, it may indicate to take right towards

Tourette-Levens. It is also possible to take this road but following our directions will be faster.

If you come from the east (Italy) you turn right towards Contes in the little roundabout just after the highway exit.

It takes about 10 min between A8 exit and Contes.

Continue straight all the way and just before Contes at the Total gas station turn left to Chateauneuf Villevieille over the small bridge (road D815).

After some 15 climbing turns at the village you take the road to the right towards the church. Pass the church (church on your right) and take the first little road to the left.

This will take you back to the big road and just across you will find our entrance – a wooden barrel and an old letter box in the shape of a little house.

In the village look for the black signs for La Parare.

If you have any problems to find La Parare, don't hesitate to give

us a call: 0493 792 262.

There is no public transport available here, so we recommend that you have your own car in order to be able to enjoy all the area has to offer.
